# **AUTUMN SCAVENGER HUNT**

Celebrate the changing of the seasons by finding things that we see during Autumn. You can take pictures or color in the pumpkins for each item you find. Once you've found 6 of the items, submit this sheet (and any photographs) to be entered into a drawing for a special prize!

The objects you find can be the actual thing, a picture of it, or something that has that thing in it. If you look around the outside of the Ben May Main Library, you might be able to find them there too! Last day for submissions is September 26th, 2020.
